

HER VOICE HER VOTE OUR VICTORY

In 1920, the 19th amendment was enshrined in the U.S. Constitution, giving women the right to vote. As we celebrate the centennial of this landmark, let's honor the extraordinary women who led the struggle to secure this right, let's raise the voices of the women who were left behind, and let's inspire the next generation to take up the cause for women's rights not yet won.
